

PDP Representatives

For the Initial Workplace Specialist Proficient Practitioner PDP, the teacher should use the PDP representative teaching the 45-clock hour seminar. **When renewing a Workplace Specialist Proficient Practitioner License, the teacher should contact the PDP representative listed under WS Proficient Practitioner Renewals on this page.** Please note that if a PDP is submitted with a signature of a PDP representative *other than one listed on this page*, then considerable delays in renewal will occur and the PDP will be returned for the appropriate signatures.
